

GIVE GIRLS A CHANCE

Envisioning a world in which every child is in school and supported to realize their biggest dreams, Give Girls A Chance supports girls and young women in Nigeria to access and maximize the benefits of a quality education through **scholarships**, **capacity building** of girls and schools and **advocacy** for girl-child education starting at the community level.

Here's a look at what GGAC has accomplished in the 5 years since its inception.

90% Girls Successfully Completing GGAC Program

90% of GGAC girls successfully complete the program and have advanced from primary to junior secondary school, from junior secondary to senior secondary school or graduate from senior secondary school.

USD
14,675

Total Scholarship Amount Disbursed

On average, GGAC disburses scholarships, including one-time financial prizes for its essay competitions, worth USD 3,000 every year.

195 Scholarships Disbursed

Every GGAC girl who meets the program's requirements receives a full-scholarship that covers the costs of tuition, fees, books and uniforms for the school term, for up to 3 years. In addition, GGAC awards scholarships to the top 3 finalists of its annual essay competition.

245 Girls Mentored

Every GGAC girl is matched with a mentor who commits to meeting with the girl on a regular basis to support her psychosocial development. In addition, through collaborations with partners, GGAC has provided mentoring support to girls on STEM and career counseling.

5,000+ Girls Reached

In addition to the girls reached through its scholarship & mentoring programs, GGAC has also reached girls via social media and through its campaigns e.g. menstrual hygiene management, literacy and community advocacy campaigns.

GIVE GIRLS A CHANCE

GGAC's holistic approach towards girl-child education acknowledges that it takes a village to raise a child and it takes working in tandem with the families and communities of girls, schools, teachers, local governments and other actors in the public and private sector to provide girls with relevant and sustainable educational opportunities that they need to grow into happy, confident and capable citizens.

5 School Partners

GGAC works with and through public schools to reach our target population. By improving the capacities of the schools to deliver our programs, we ultimately improve their capacity to deliver better services to all their students.

10 Project Partners & Sponsors

GGAC partners with other non-profits and social enterprises to deliver targeted interventions including in STEM. We also receive generous sponsorship from other partners for various program components including scholarships, uniforms, books etc.

55 Mentors Recruited

Our volunteer mentors (both in person and virtual) are vital to the success of GGAC's mentoring program. GGAC creates a safe space for professional women to contribute their time and talents to nurturing the development of GGAC's girls.

13 Events

While GGAC has partnered with other organizations to co-host several events, on its own, GGAC has been responsible for hosting 13 events including for Children's Day, Women's Day, International Day of the Girl Child and Menstrual Hygiene Day.

**USD
30,986**

Funds Raised to Date

GGAC has raised over USD 30,000 from a mix of donors - including individuals and which goes towards covering the costs of administering its programs.
